If the camper will need to take medication *during camp hours*, please list below. We will send you additional paperwork for the specific administration of these medications.

QClinics Acknowledgement of Risk and Waiver Information:

By signing below, I understand and acknowledge 1) That the camper will need to have a recent physical (18 months or less) as well as a Certificate of Immunization on record with the camp prior to participating in camp activities. 2) All campers are expected to abide by all Q-Clinics policies (including any COVID policies put in place), or may be excluded from camp. 3) The camper listed is fit for camp activities. 4) Pictures/Videos of attending campers may be used in future camp promotional media. 5) Emergency transportation will be provided in the event that emergency medical care is required. Generally speaking, an ambulance service is used to transport individuals to a medical care facility. Ambulance payment is the responsibility of the camper and their guardians. At the discretion of the executive healthcare supervisors, if an ambulance is not readily available, an individual may be transported in a personal vehicle. 6) As lawful consideration for my minor child being permitted to participate in the Q Clinics sports camp, I agree that neither my minor child nor I will make a claim against, sue, attach the property of or prosecute QClinics or their sponsors, building contractors, suppliers, and employees for damages for death, personal injury or property damage which my minor child may sustain as a result of my child’s participation in these sporting activities. I am aware that this is a release of liability for myself and my child and a contract between myself, my child, and QClinics, their agents, and employees.
